Mr. Bubble has been on many great adventures, and met a lot of new friends along the way! He created a map of his travels to chart all of the places he's visited and new friends he has met. Can you help Mr. Bubble chart his adventure by filling in the circle next to each new bath bomb friend you meet? Dissolve each bomb to smell the scent and release the color surprise inside. Then fill in the circle for that shape, scent and color burst! Find all 72 combinations to complete your own bathtime adventure!
